Dear Mr. ~~Hollis~~,

If, in the madder than ususal rush to get WHITEWASH done and through the printer's (it will be out soon) I foggot to thank you for your very kind letter of 11/18, itnis not because I do not appreciate it. I do.

It is just that there is so much too much for two people to do, we just cannot do everything.

There is no reason for any bookstore that wants WHITEWASH not to have it. All the wholesalers stock it. They havefor months. This will also be truem,I hope, of WHITEWASH II, which is an entirely hew book and goes farthur, with material I got from the Commiwssion's files.

It tells who did the whitewashing and how. It will also be $4.95 plus postage and I hope we'll be able to begin sending them out in about 10 days to two weeks, depending on the printing. We'vehad advance orders and will fill them first.

Sincerely,

Harold Weisberg
